

**Glossop Amateur Swimming Club Photography Consent Form**

The club may wish to take photographs of individuals and groups of swimmers under the age of 18. This may include your child during their membership of the club.

The club requires parental consent to take and use photographs.

All photographs will be taken and published in line with our Club Photographic and Video Policy. This policy was informed by and reflects the requirements of the ASA Photography Policy. If you wish to see a copy of the full policy, please see the website or contact the club Welfare Officer.

Parents have a right to refuse agreement to their child being photographed.

You are also welcome to view any images we may have of your child.

As the parent or carer please complete the form below in respect of your child. Please note, you can withdraw your consent, in writing to the club Welfare Officer, at any time should you wish to.

Your child may have the opportunity to be videoed in order to develop their stroke or skills. You will be asked to complete a separate consent form for this.

Kind regards

Catherine Robinson

Welfare Officer
