

Dear Swimmers, Parents, Poolside team and Supporters!

What a great atmosphere last night, all the swimmers really supported each other and it was a great team performance which is what this series is all about - a special well done to Eleanor and Rebecca, who were swimming for this team for the first time.

We came second with a very pleasing 100 points so are in a strong position with 2 more rounds to go.

The next Manchester and District gala is on Saturday 30th but this is the all relay section so the age groups are slightly different – still something great to look forwards to.

Well done again and a big thank you to the army of poolside helpers and officials!!

Kate
