

Mission Statement.

The club will:

- (a) Teach and promote swimming in all its aspects, consistent with A.S.A. Law and as far as facilities allow.
- (b) Arrange and organise Championships and other events encouraging the development of the Club and its members.
- (c) Encourage members to partake in the administration of the sport.
- (d) Provide the opportunity for those members who wish, to gain ASA qualification. The club is particularly committed to encouraging junior members to gain qualification, which could enhance their future prospects.
